Comments:

In accordance with Colorado law, I am gifting one or more samples of cannabis to The Good Lab for no remuneration with the understanding that samples will not be retained after 30 days and any excess material after testing will either be returned or destroyed. I understand that test results will not be reported until payment has been received. I confirm that the samples submitted are cultivated or produced in accordance with state law, a state or tribal hemp program and/or the 2018 Farm Bill. By signing this document, I understand and accept The Good Lab's terms and conditions.
